Building
Tomorrow's
Boards

Institute of Directors INDIA

Empowering Boardrooms, Enabling Leadership since 1990

About Us

Established in 1990 under the Societies Registration Act, XXI of 1860, the **Institute of Directors (IOD), India** was founded as the apex professional body for corporate directors—dedicated to building effective boards and advancing boardroom leadership.

Over the past 35 years, IOD has grown into India's leading organisation for directors, with a vibrant network of **over 30,000 senior executives** from the public, private, and government sectors—both in India and abroad—including more than **11,000 trained Certified Directors** through its acclaimed *Masterclass for Directors*.

With its headquarters in **New Delhi** and regional offices in **Mumbai, Bengaluru, Hyderabad, and Chennai**, IOD provides region-specific support and services across India's diverse corporate landscape.

IOD remains at the heart of India's boardroom ecosystem—strengthening governance frameworks, driving director development, and cultivating a future-ready leadership community.

IOD's Core Competency Framework for the Boardroom Community:

1. Membership & Representation

A membership-based organisation representing directors across sectors and supporting peer collaboration.

2. Board Training & Certification

Comprehensive training for directors, board chairs, CEOs, MDs, and aspiring board leaders—focused on governance, compliance, ESG, risk, and performance.

3. Directors' Databank (since 2013)

A trusted repository of board-ready professionals from diverse backgrounds, supporting Independent Director appointments across companies.

4. Networking & Thought Leadership

High-impact national and international conventions that offer platforms for directors to share insights, build networks, and tackle boardroom challenges.

5. Golden Peacock Awards

Globally recognised awards in 15 corporate verticals, benchmarked against the *Golden Peacock Excellence Model*—honouring exemplary leadership and innovation.

6. Board Research & Advisory

Bespoke services covering board evaluations, governance diagnostics, industry sentiment analyses, and boardroom policy guidance.

7. Knowledge Dissemination

Regular publications including professional books, handbooks, and the widely read *Director Today* journal, keeping directors informed of emerging trends and best practices.

IOD continues to empower the current and next generation of directors to lead with purpose, accountability, and innovation—bringing a silent revolution to boardrooms in India and beyond.
